

Employability Pathway

Employability helps you:

- learn about jobs and work
- understand your choices for the future
- try real work placements
- build your confidence
- learn how to keep yourself safe and independent

You will:

- learn new skills like teamwork, communication and problem solving
- meet employers and visit workplaces
- try different jobs to see what you enjoy
- work with job coaches on real work placements
- build a portfolio showing what you can do
- learn about where you want to live and work in the future

Qualifications you can work towards

- Skills for Living and Work
- Functional Skills English and maths
- Duke of Edinburgh Award

You will have your own personalised plan.

By the end of the course, you will:

- understand your work and living options
- feel more confident about travelling and being independent
- be ready for employment, volunteering or further training
- know what you want for your future
- have real experience from a work placement
