

Independence Pathway

On Independence, you will learn to:

- look after yourself
- make choices
- solve problems
- stay safe
- feel more confident
- get ready for work, volunteering or college

You will:

- practice real-life tasks and work
- learn through practical activities
- work on skills like communication, confidence and teamwork
- build a portfolio showing your progress
- learn things linked to your interests

Qualifications you can work towards

- Skills for Living and Work
- English or maths Functional Skills
- Arts Award
- Duke of Edinburgh Award

You will have your own personalised plan.

By the end of the course, you will:

- be more independent
- make safer choices
- talk about what you want and need
- take part in your community
- get ready for your future
- complete qualifications at your level
