# Kirklees Local Offer

## The Local Offer website:

The screenshot shows the homepage of the Kirklees Local Offer website. At the top, there is a navigation bar with links for Home, Local Offer Live - Workshops, Information, and I am new to SEND, along with a search bar. The main heading reads "Kirklees Local Offer - Information, services and activities for young people 0-25 with Special Educational needs and Disabilities (SEND)". Below this, there is a "Local Offer News!" section featuring a large "NEWS" graphic and a stack of newspapers. The page is organized into a grid of content tiles. The first row includes "Information for parents or carers" (with an image of a family) and "Information for young people - Including PFA and Post 19" (with an image of a person in a library). The second row features "SEND Support Services" (with an image of hands holding figures) and "Local SEND Activities" (with an image of a child on a bouncy castle). The third row contains four tiles: "SENDCO & Professional area", "Kirklees SEND Newsletters", "Local Offer News", and "Events calendar". The fourth row includes "Care leavers Local Offer", "Educational settings", "How we plan for SEND", and "Have Your Say!". The footer contains copyright information for Kirklees Council 2024 and a list of links: Home, Privacy Policy, Cookies Declaration, Contact us, What if you are worried about a child?, Complaints, and Local Offer Feedback.
